Will Start on Excursion With
Wives, Children and Sweet-
hearts Friday Evening

Knights of Pythias to the number of 100 or more, together with their wives, children and sweethearts, will leave on Friday evening for Waikuku, Maui, where their reception is being planned by the Valley Island Knights. The steamer Mauna Loa has been chartered by the local lodges and it is predicted that the trip will be a most successful one. The trip will be a most successful one. The trip will be a most successful one.

Accommodations have been made for approximately 50 or more Knights in the private homes in Waikuku for those not accustomed to hotel fare, and each Knight on Maui has donated his automobile for the use of visiting brothers during the two-day celebration.

Arriving at Kahului early Saturday morning the visitors will be allowed until 2 o'clock in the afternoon to rest. Then they will be taken by auto to Hailu to inspect the pineapple fields and factories. At 6 o'clock in the evening a special convention of Aloha Lodge No. 3 will be held at Waikuku for the conferring of the third rank on candidates, the ritualistic work being put on by the members of the Honolulu lodges, to be followed by a dance in honor of the visiting members and their families.

On Sunday morning autos will be in waiting to transport the guests to different points of interest around the island, the party gathering at Lahaina during the afternoon to participate in a monster luau given in their honor. The party, returning, will arrive in Honolulu early Monday morning. An excursion rate of \$10 per passenger will be made and Knights wishing to avail themselves of the opportunity of making the trip can do so by notifying L. B. MAUI TO GIVE KNIGHTS RIGHT ROYAL RECEPTION

Special Star-Bulletin Correspondence
WAILUKU, Feb. 1.—Next Saturday is the date set for the arrival of the Honolulu Knights of Pythias, who for some time past have been planning a trip to the Valley Isle. The Mauna Loa is the boat that has been chartered for the occasion, and local Knights expect at least 80 visiting brothers on the excursion steamer.

A special lodge session is the real purpose of the excursion, but combined with business for the fraternity there will also be a series of very pleasant social events arranged. The visitors will be taken about Central Maui Saturday morning and on the afternoon of the same day to the Hailu and Kula section. After the lodge meeting on Saturday evening there will be a ball and reception. The affair will be one of the most elaborate that Aloha lodge has ever undertaken.

On Sunday a trip to Lahaina is planned and a banquet in the evening. The trip back to Kahului will be made in time to get the visitors off at about 9 o'clock.

SNOW AND ICE BLOCKS TRAFFIC IN MIDDLE WEST

[Associated Press by Fed. Wireless.]
CHICAGO, Ill., Feb. 3.—Following the great hail and sleet storm which swept the Middle West, the temperature is falling. In the northern part of the country the snow continues to fall.

At many points in the Atlantic states there are floods and snow blockades. Train traffic is generally disarranged. The streets in the cities are slippery with ice and dangerous and traffic is interrupted.

The breaking down of communications by wire has not yet been repaired, although men are at work everywhere in spite of the weather.

MOTHER! THE CHILD IS COSTIVE, BILIOUS

Don't hesitate! A laxative is necessary if tongue is coated, breath bad or stomach sour.

Give "California Syrup of Figs" at once—a teaspoonful today often saves a sick child tomorrow.

If your little one is out-of-sorts, half-sick, isn't resting, eating and acting naturally—look, Mother! see if tongue is coated. This is a sure sign that its little stomach, liver and bowels are clogged with waste. When cross, irritable, feverish, stomach sour, breath bad or has stomach-ache, diarrhoea, a red throat, fail of cold, give a teaspoonful of "California Syrup of Figs," and in a few hours all the constipated poison, undigested food and sour bile gently moves out of its little bowels, without griping, and you have a well-playful child again.

Mother can rest easy after giving this harmless "fruit laxative," because it never fails to cleanse the little one's liver and bowels, and sweeten the stomach, and they dearly love its pleasant taste. Full directions for babies, children of all ages and for grown-ups printed on each bottle. Beware of counterfeit fig syrups. Ask your druggist for a 50-cent bottle of "California Syrup of Figs," and then see that it is made by the "California Fig Syrup Company." Don't be fooled!—advertisement.

JEWELRY HOUSE ADMITS AILBORN TO PARTNERSHIP

A business change of considerable moment took place yesterday when George P. Ailborn was officially admitted as a member of the firm of Wall & Dougherty. While the addition to this rapidly-growing concern was made to take effect the first of the present year the announcement was not made public until the details had been perfected.

For the past two and one-half years, or since the institution of the firm of Wall & Dougherty, Mr. Ailborn has been associated with the firm in the capacity of salesman and during that time he has displayed a keen insight into and knowledge of the jewelry business. So much so that the senior members of the firm early last fall commenced to consider the advisability of inviting him to become a partner.

The junior member of this firm, whose advent into the local jewelry field caused considerable of a sensation and whose confidence in the future of Honolulu has been well repaid in the shape of an excellent and thriving business, is the son of the late Capt. Louis Ailborn, one of the pioneers of the sugar industry of Hawaii and a man whose business judgment has been inherited in full measure by his son.

The widow of Captain Ailborn, who spends considerable of her time on the mainland and in Europe, has been a visitor with her son in Honolulu for a number of months past, having taken up her residence at Halekulani.

Mr. Ailborn's duties in his new capacity will be similar to those of the past. He will spend the larger part of his time caring for the many friends and customers he has made for Wall & Dougherty in the capacity of salesman but will be a stronger worker and booster for the firm, if that be possible.

POSTAL CARD CAMPAIGN WILL BOOST EXCURSION TO THE GARDEN ISLAND

Nearly 75 more persons are needed for the outdoor promotion committee's excursion of Kauai February 12, and to secure these the organization has started a lively post-card campaign. A post-card, with a return card attached, has been sent to each of a large list of prospective hikers and it is believed that by the end of this week the excursion steamer will be booked to capacity.

A personal canvass of the downtown district and the hotels is being made by Albert P. Taylor, executive officer. The itinerary includes hikes and trips to the various points of interest on the Garden Island. Rev. J. M. Lydgate will guide parties to points of interest out of Lihue. It is understood that the Kauai Chamber of Commerce will invite Governor Pinkham and Senator-elect Harding of Ohio and his party to make the trip.

With each order for one dozen of our fine retouched portrait post-cards, we will give, free, one cabinet photo, regular \$4 dozen size.

This offer is for ten days only. Portrait post cards \$1.50 per dozen. THE KODAGRAPH SHOP, Cor. Hotel and Union streets.—Adv.

ENGINEER RECRUIT DIES OF PNEUMONIA

[Special Star-Bulletin Correspondence]
PORT SHAFTER, Feb. 2.—Pvt. Robert Fitzgerald of Company I, 3rd Battalion of Engineers, stationed at this post, died in the department hospital on February 1 from an attack of pneumonia, following an illness of measles. Young Fitzgerald had but lately arrived in Oahu, being a member of the draft of recruits that reached here on the last transport. He with a number of the new men had been seized with measles shortly after the transport sailed from San Francisco and on arrival at Port Shafter had been placed in quarantine until the danger of communicating the disease to the garrison had passed. On Friday of last week pneumonia set in and despite all attention he succumbed early Monday morning. Fitzgerald was but 21 years of age and was in his first enlistment. He was a native of Kentucky and the body has been embalmed and will be sent to his home for interment. Two other engineer recruits are still in quarantine on account of measles but no complications are feared in their cases since they are both well on the road to recovery.

Gold bars to the amount of \$2,000,000 were withdrawn from the New York assay office. The operation is described as a "transfer" and the identity of the parties concerned has not been disclosed.
